

PUBLIC NOTICE

Application for Temporary Noise Waiver

The Department of Environmental Protection is currently reviewing an application for a Temporary Noise Waiver as allowed under the Montgomery County Noise Control Ordinance, Chapter 31B, Section 11(a). The Department will receive comments on the application for a minimum of ten (10) days after distribution of this notice.

The Temporary Noise Waiver is being requested by Metropolitan Permit Services on behalf of Schuster Concrete Construction, 3717 Crondall Lane, Ownings Mills, Maryland, for the purpose of using a 500-ton portable crane to dismantle and remove tower cranes at 7900 Wisconsin Ave., Bethesda. To complete this work the portable crane will be positioned within Woodmont Ave. between Fairmont Ave. and St. Elmo Ave. Vehicle traffic will be detoured around the area. The work is scheduled to be performed during after-hours on the weekend of June 27-28, 2020 and is subject to adjustment for weather. The after-hours work is necessary to allow assembly and disassembly of the portable crane and is designed to lessen impacts on local businesses, traffic congestion and pedestrians.

The application and related documents are available for public inspection and may be viewed on the Department's website by visiting the Noise Waivers & Suppression Plans page at: <https://www.montgomerycountymd.gov/DEP/contact/noise-documents.html#waivers>.

Comments, questions, or requests to examine documents related to the noise waiver application may be directed to depnoisewaiver@montgomerycountymd.gov.

Date of distribution: 6/15/20
